

Fee

- When you are ready to hire David, and have questions about your professional investment, please call his Toll Free 1 (888)897-4224 or (604) 897-4224.
- A 50% deposit and a signed program agreement will secure your date.
- The balance of your professional investment is due on or before the date of the presentation. Any incidental expenses (such as a shuttle or cab fare) plus other travel will be billed immediately following the presentation and will be due within 30 days.
- David will clearly discuss expenses with the meeting planner, and will not incur any that are unnecessary. He works very hard to keep all costs to the meeting planner to a reasonable minimum.

Travel arrangements and expenses

- David typically makes his own airline reservations, but will work with your travel agent if you prefer.
- Ordinarily the meeting planner will make the hotel arrangement. A non-smoking room is preferred.
- If your event is in NW Washington State or Southern BC, David will probably drive to your event. The mileage rate is \$0.42 per km.

You may choose how you want David to get from your local airport to the hotel/venue where your event will be held. Shuttle cars, cab, rental car and pick-up are all options. David will need to be reimbursed for any amount spent on ground transportation.
